BELLENIE'S OSTERIA
ITALIAN TAPAS BAR

ITALIAN TAPAS MENU

Welcome to our Italian Tapas Bar, Bellenie's Osteria.

The word Osteria comes from Italy and means a place serving good wine and simple food.
We hope we have bought you a little piece of Italy to Hayes.

We have carefully sourced our meats and cheeses from small independent Italian producers and our wines we hope enhance the produce.

The founder Hayley Bellenie has been a private chef for 15 years, working with many high profile VIPs and large events across Europe. Her passion for Italy was found when she started working for La Villa hotel, set in the heart of Piemonte a place world renowned for wines, food and truffles.

Hayley spent 2 years learning as much as she could about the foods and wines of the region and then wanted to share her passion to people back home.
